Critical Intelligence Problems Committee

7 August 1985
DDW-126

WEEKLY ACTIVITIES AND STATUS REPORT FOR THE DD/ICS--7 August 1985

CIPC Organizational Activities

- Another very successful CIPC Meeting was recorded on 5 August.
 - The Committee enthusiastically approved the Follow-up Narcotics Study.
 - The staff is in the process of updating the report based on comments at the meeting, to forward to the DCI.

*Specifically, we are noting the concerns on operational security and counterintelligence and will include a recommendation on this subject. We will also clarify recommendation 4 which deals with the confidence level of narcotics crop production estimates.

- During the week, Ray briefed David Westrate and Tom Byrne, DEA, and BG Frank Breth, USMC, on the CIPC.
- We are fine-tuning the Mobile Missile and Terrorism studies for forwarding to the DCI. They should be ready for your signature by the end of the week.
- The CBW report is undergoing final editing prior to publication. We should have it in the print shop by the end of the week.

25X1

BMD Follow-up Report:

- Last week, Rich completed drafting the last sizeable input to the BMD Working Group report--a summary of the Perry Panel study--and some revised text for the working group to review at their 5 August meeting.

25X1

Mobile Missile Study:

- The panel met twice during the week. In addition to receiving briefings in support of the DSB tasking, the panel discussed the plan of action for the arms control study.

25X1

- A trip request for [] to attend the Air Force sponsored Advanced Information Systems Technology Symposium at the Rome Air Development Center at Griffiss Air Force Base, New York is forthcoming. This symposium will discuss the role of AI and its uses in intelligence.

25X1

Narcotics Intelligence: []

25X1

- George conferred with [] A/NIO/Narcotics, regarding the progress of the National Drug Enforcement Board (NDEB). He confirmed that although the NDEB has thus far been concentrating on domestic narcotics concerns, it would soon be addressing foreign aspects of the narcotics issue and would be looking to the Community for further support, including the assignment of intelligence personnel. George continued to keep in touch with the members of the Narcotics Working Group concerning the follow-up study.

25X1

Miscellaneous: []

25X1

- A critical problem solved by [] last week was the naming of his new daughter born on 29 July and weighing in at 9 pounds, 15 ounces. [] and mother are doing well.
